Dear Kevin,

RE: Proposed asylum reception centre at Linton-on-Ouse

In response to questions I posed to each of the remaining leadership candidates at a recent parliamentary hustings, they all confirmed that they had concerns about placing such a facility at the centre of a small rural village.

Given the ongoing concerns raised by all stakeholders, the overdue response to the pre-action letter from Hambleton District Council and the imminent change in Prime Minister, I would appreciate confirmation that you will postpone any final decision on the above until a new government is in place.

Kind regards,

Kevin Hollinrake
